TOWNSHIP FLOODOPS / SOFTWARE DEMO

DEMO-Q001 - Test quotation

SYNTHETIC TEST DOCUMENT - NOT FIELD EVIDENCE OR A COMMERCIAL OFFER

Date	2026-10-21
Source	Fictional test supplier - not an actual contractor
Inlet cleaning	1 inlet x RM 250.00 = RM 250.00
Mobilisation	1 trip x RM 150.00 = RM 150.00
Disposal	1 load x RM 50.00 = RM 50.00
Total	RM 450.00
Exclusions	Taxes, traffic control, pipe repairs and excavation excluded.

For software workflow testing only. Every rate is invented. These values are not market prices, a contractor commitment or a spending recommendation.

Use reference DEMO-Q001 - fictional test quotation. The prototype only checks that a quote reference, date and rates are entered; it cannot authenticate a supplier or quotation.

In actual operations, use Illustrative estimate until a genuine contractor quotation is obtained.
